

Kindergarten Enrollment Guidelines

Dear Kindergarten Parents,

We would like to thank you for your interest in Land O' Lakes Christian School. Your child has reached an exciting time in his/her life and we here at LOLCS are looking forward to having the opportunity to work with you in educating your student. We look forward to an outstanding school year filled with many new opportunities.

Please note that our PK3 classes are half-day programs (8:10 a.m.—12:00 p.m.). For those families interested in a full-day program, LOLCS offers an *optional* Pre-Kindergarten Enrichment (PKE) class that meets in the afternoon from 12:00 p.m.—3:00 p.m. This non-academic enrichment program is offered on a first-come, first-served basis and may be attended either on a daily (permanent) basis or as needed intermittently. Registration for permanent KE slots should be done during regular PK3 registration. Drop-in OR intermittent use may be reserved by contacting the school office to check availability.

Application Procedure

- Schedule an interview** with the Elementary Principal. A brief history of the church and school will be presented along with a summary of the school's philosophy, standards, and policies. A tour of the LOLCS campus will also be given.
- Complete the online admission application.** Online applications and application fees (non-refundable) will be accepted during the Open Enrollment period. LOLCS has a selective enrollment policy. Students with significant academic or behavioral concerns or major doctrinal differences may not integrate well into our school program. If we determine this to be the case, the application fee is fully refundable.
- Provide additional documentation.** Once the student has been accepted for enrollment, the following documents will be required in order for the student to begin school:
 - **Copy of Birth Certificate**
 - **Student Health Exam Form** (DH 3040 - original)
 - **Florida Certificate of Immunization** (DH 680 - original)

If you have any questions, the school office staff may be reached by calling (813) 995-9040 or by email (school@fbclol.org). We look forward to having the opportunity to meet with you personally.
